

75XHC - X-High Curb w/ Cricket

Last Updated Monday, 12 October 2009 21:20

(shown on 47 cheek, available on any cheek listed in Cheekpieces Available)

5 1/2" leverage, 5" width, port 2 1/4" high.

Adds extra palate pressure plus providing medium of tongue relief when rein is used. When horse brings cricket into play, it relaxes horses lower jaw giving more flexibility in head and neck.
